

Let's ensure your son or daughter graduates and has a meaningful summer job.

Dear Guardians of the High School Seniors in the BGC College & Career Readiness Program:

My new role is to help your student – A GRADUATING SENIOR – get meaningful employment in the summer.

On April 10, 2017, the job-application process for the city's Learn & Earn program begins. It takes a team effort to complete the process of getting hired, and this introduction letter to you offers my assistance – to you and yours.

We would love to have all the seniors apply so we can continue working together.

A part-time job with the city's Learn & Earn program brings paychecks (obviously), resources and a bridge to many of the caring people at the BGC.

I am a parent too. This year, BOTH of my sons are in college. Plus, I'm an employer with more than 35 expected to work with me in our BGC Swim & Water Polo camps around town. But most of all, for the next few weeks, I'm extending my coaching to helping and encouraging our youth to further their lives – professionally.

I am an addition to the ongoing staff (Rick Flanagan, Daniel Jackson, Michelle Maynard, Rachel Schwartz, Elisa Partillo, Harriet Marshman, and Jill Fronk). There is plenty to do for the kids, their parents / guardians, and the wider support team. I am on-board too.

Sincerely yours,

Coach Mark Rauterkus
