*Delivery to participants and spectators at PPS Middle School Championships*

## Dear Swimmers, Guardians and Coaches:

Three cheers to you for completing the middle-school season and competing in today's championships. Hopefully, you choose to continue swimming, as we'd love to see you at 11:30 am on Saturday at PPS Oliver High School on the Northside.

### **You are invited to sign-up for a brand-new, All-City, Aquatics All-Star Team!**

First meeting and swim clinic is this Saturday, January 27, 2018, from 11:30 to 1 pm on the Northside at PPS Oliver High School, 2323 Brighton Road, 15212.

Second meeting and clinic is next Saturday, February 3, 2018, from 11:30 to 1 pm at PPS Oliver.

If interested, call, text or email.  
Or, sign-up in advance at [Play.CLOH.org/rsvp](http://Play.CLOH.org/rsvp).

We are seeking 25 or more middle-school athletes, boys and girls, of any swimming ability, for this low/no cost program. It is a labor of love from the coach(es). We hope to organize the swimmers, guardians and boosters for an All-Star experience with specialized practices, coaching, training, and lots of play and competitions. We'll swim, exercise, use technology tools. We'll also learn, practice and play water polo and SKWIM, a water-disk game. We stress sportsmanship, teamwork, and conditioning with help of digital badges. Playing well with others happens with in-house meets and game-days -- if we get your support and your participation.

Expect more information at the first clinics. Other practice opportunities in other city neighborhoods are possible too. Call with questions. See [Swim.CLOH.org](http://Swim.CLOH.org).

Boost your fitness, swim knowledge, circle-of-friends, swim speed and aquatic game-play so that you can become a future lifeguard and a stronger varsity athlete, in any sport.

Thanks for the consideration.

*Coach Mark Rauterkus*
